***Photographic Constructs* Fine Art – Solo Exhibition By David Wiener**

Artifact Gallery – New York City June 29 – July 10

New York City—June 13, 2016 - Photographic Constructs, an exhibition featuring the recent fine art works by David Wiener, an internationally recognized photographer, designer, and entrepreneur will be on display at Artifact Gallery 10 Orchard Street, New York City from June 29th – July 10th. David's love for photography emerged back in the 70's when, at 16, he was one of the youngest professional photographers in America, shooting the exciting worlds of Formula One Grand Prix racing, the Indianapolis 500, the Americas Cup, and the US Open.

Over the past 30+ years, David has created art in various mediums and has been featured in Paddock – Monaco Grand Prix Edition, Fortune, Newsweek, Forbes, Yachting, Motor Trend, Robb Report, Maxim, Time-Life Books, PBS, and numerous other international media. His creations are in the private collections of Jean Todt, Kirk Posmantur, Michael Schumacher, Peter Gabriel, Kimi Räikkönen, Peter Frampton, Sanjay Dutt, Alan Parsons, Pat Metheny, Ferrari SpA, the Mandarin Oriental, and many more. David recently completed a large commission of eleven 92" x 46" art pieces for the corporate offices of AVASIS, a software technology company.

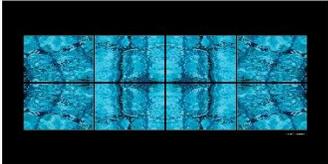

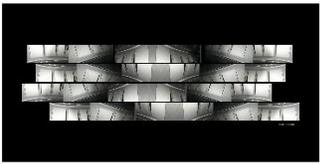

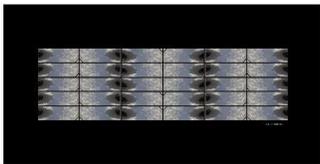

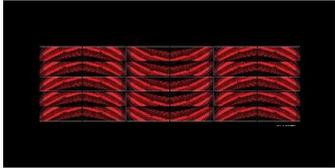

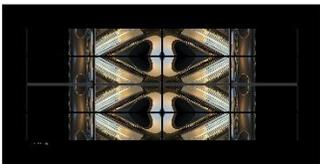

Combining his love of photography with his passion for high-tech design, David has created a series of limited edition prints he describes as *Photographic Constructs*. This work exposes the viewer to new ways of seeing technology, architecture, nature, and many other subjects through a unique and creative lens.

Each piece in this series is custom printed, signed, and numbered, using the finest archival inks and museum paper available. Each series is limited to 7 prints and are presented in elegant, modern frames with the finest museum acrylic glazing.

“Creating *Photographic Constructs* has allowed me to capture elements within various settings and use my vision to express a novel perspective to the viewer, challenging them to realize how beautiful detail taken out of context can be.”

One of David’s trademarks as an artist is his keen sense of style, elegance, and timelessness. His design talents have been used by Nike, Columbia, the U.S. Ski Team, Deer Valley Ski Resort, Ferrari, and other high profile clients.
